Welcome Note and Introduction

08:10 am ACTIVITY SESSION The Wall of Values

During the networking session, you'll be invited to share a guiding value or leadership quality on a card. *After the keynote, these cards will be displayed on our Wall of Values—a collective source of inspiration and the perfect backdrop for photos.*

08:15 am FEATURED SESSIONS

1. **“Character-Driven Leadership: Living Your Values, Inspiring Lasting Success in Your Life and Business”** - Fenni Nghikevali: Leadership Advocate | Mentor | CEO | Award-Winning Changemaker.

WHY THIS EVENT IS A MUST FOR YOU:

This inspiring morning will explore how values such as integrity, accountability, and authenticity can become powerful tools for growth — whether you are a leader, entrepreneur, manager, or community builder.

Who Should Attend:

- Women in leadership roles across corporate, government, and community sectors.
- Entrepreneurs and business owners seeking to align purpose with growth.
- Middle managers aspiring to lead with greater impact and authenticity.
- Young professionals and emerging leaders eager to build strong career foundations.
- Women from all backgrounds — including rural areas — who are passionate about empowerment, values, and transformation.

HOW DOES THIS PRESENTATION BENEFIT YOU AND YOUR ORGANISATION:

- Understand how character and values can be turned into strategic advantages in business and life.
- Learn practical ways to apply integrity, accountability, and authenticity in daily decision-making.
- Explore how values-driven leadership builds trust, resilience, and sustainable success.
- Gain inspiration from Fenni Nghikevali's personal leadership journey and lessons.
- Discover tools to strengthen your influence, elevate your career, and grow your business with purpose.

For Your Organisation:

- Discover how values-based leadership drives trust, loyalty, and long-term growth.
- Explore how character-driven decision-making can improve workplace culture and performance.
- Position your business as one rooted in purpose, attracting both customers and talent.
- Encourage your teams and managers to lead with integrity, improving collaboration and results.
